

Almarai is the leading company in the dairy and foods industry throughout the GCC. We have a long standing reputation for supplying high quality, good value fresh and long life dairy, juice and cheese products.

The Sales Division with over 6,000 employees services more than 40,000 shops throughout the KSA and other Gulf countries on a daily basis. This huge task is achieved using the latest in hand held computer technology supported by one of the most sophisticated sales management systems in the world. The Division receives products from our Central Processing Plants in central KSA and transfers it through our 60 purpose built temperature controlled depots to 1,500+ refrigerated vans. These vehicles leave early every morning to ensure all shops are fully stocked with fresh product. 75% of all serviced shops visited have an Almarai branded cooler to ensure the product is kept in perfect condition and is conveniently available for the consumers.

Quality, Health, Safety and Security are given a high priority to ensure the protection of employees and consumer alike.

Working in Almarai Sales Division is a rewarding and extremely fulfilling opportunity to learn and progress with ample chances for progression for those who demonstrate the ability and energy to succeed. We actively support individual improvement by providing comprehensive training as appropriate.
